DISCOVER **HEALTH** FACULTY OF HEALTH SCIENCES

Towards a Healthy Future!

The Faculty of Nursing at Marwadi University is committed to preparing skilled and compassionate nursing professionals who can meet the evolving healthcare needs of the 21st century. Our programmes emphasize a strong balance of theoretical learning and practical exposure.

We offer comprehensive education across major nursing specialties, supported by well equipped nursing laboratories, clinical postings, simulation training, hospital tie-ups, community visits, and expert sessions that enhance students' real-world competencies.

Our experienced faculty members and experts, ensure high-quality teaching, mentorship, and skill development. Robust collaborations with reputed hospitals provide clinical experiences that strengthen critical thinking and patient-care skills.

The Faculty of Nursing aims to make a meaningful contribution to the nation's healthcare system by producing confident, competent, and ethical nursing professionals. Through holistic learning and sustained hands-on practice, we equip students with the knowledge, values, and mindset required to deliver safe and effective patient care.
